

Copenhagen City Guide

Tech X 300 - Powered by VMUGDK

**We can't wait to see you
at Tech X 300!**

With this guide, we hope that you and your VMUG members will have a pleasant stay in Copenhagen during the conference. We have compiled some useful information and guidelines to ensure the best experience at Tech X 300, including details about the program, hotels, restaurants, and addresses.

Plan your stay – arrival and departure

We advise that you arrive in Copenhagen on **the 19th of September** in order to maximize your experience at the conference. The official program will commence on the 20th at 9.00. Additionally, we recommend booking your return flight for after 20.00 on the 21st of September.

Here is a breakdown of the conference schedule (*Agenda subject to change)

Day 1: Conference program 9-17

Day 2: Conference program 9-16

We will arrange for a Pick-up location, where you can register for the event and get your name tag for the conference on the 19th. With this initiative, we hope to eliminate the queue at the conference.

We anticipate a large number of people arriving at the same time on September 20th and would like to avoid this bottleneck for the event.

More information will be provided soon.

Please consider

Tech X 300 - Powered by VMUGDK is a community-driven event, and as such, we rely on the active participation of our attendees. We understand that plans can change unexpectedly, and we kindly request that you inform us if you are unable to attend.

Due to the nature of our event, we have limited resources and budget allocated for each participant. Therefore, we kindly ask that you consider the impact of a 'no-show.' If your plans change, please remember to promptly cancel your registration so that another individual can benefit from your seat, or we can adjust the catering arrangements accordingly. Thank you for your understanding.
